# Popcorn Popper

## INCLUDES:

- Popcorn Kernals
- Oil
- Popcorn Salt
- Individual Sized Bags/Cones
- Measuring Cups
- Spray Bottle of Vinegar for Equipment Cleaning

## Operating Instructions

1. Turn light and kettle ON and allow machine to preheat 5 to 7 minutes before popping corn.
2. Add popcorn oil and seasoning to kettle. Use 1/4 or 1/3 oil to 8 oz corn ratio for best results.
3. Dump all corn from kettle when popping stops.

### **IMPORTANT**

Never pop corn in a dry kettle. Turn kettle OFF when not in use.

Located at City Hall. Please call Billie Jo Horsens at (920) 448-3142 to reserve.

# Tents, Tables, and Chairs

- iPod dock
- Treble, bass, and echo control

Located at City Hall. Please call Billie Jo Horsens at (920) 448-3142 to reserve.

# General Reservation Policy

Neighborhood Associations are the only organizations that may reserve GBNLC activity inventory items. Neighborhood Associations are allowed to co-sponsor an event with a different organization and reserve activity inventory items for that event, as long as the association will be present and adequately represented at the event. The outside organization may not make the reservation even if they will be working in conjunction with the association on the event.
